

Amendments to the Drawings:

Please replace sheet 7 containing Figures 7A, 7B, and 7C of the application as filed with the attached Replacement Sheet containing Figures 7A, 7B, and 7C.

REMARKS

The courtesies extended by Examiner Deuble in the Examiner's Comments are greatly appreciated.

In the Notice of Allowability dated July 20, 2009, the drawings were objected to because there were two Figures labeled Fig. 7B. Applicant has submitted corrected drawings with the Fig. 7B on the right side of the page being labeled as Fig. 7C. In addition, the problem of Figures 22 and 23 being described twice on page 8 of the specification has been addressed. Specifically, Applicant has requested paragraph 49 of page 8 to be deleted. Applicant submits that the application is now in condition to be properly published.

CONCLUSION

For all of the reasons set out above, applicant submits that the application is in condition to be properly published. Such action is respectfully requested at an early date. If the Examiner believes that there are further issues that need discussion or clarification, he is invited to contact the undersigned. If there are any fees due in connection with the filing of this amendment, not already accounted for, the Examiner is authorized to charge any such fee to Deposit Account No. 01-0265. Any overpayment or refund should be credited to Deposit Account No. 01-0265.

Respectfully submitted,
